

# Scotch Doubles Tournament

Saturday Nights - Sign in at 7:30 Play starts at 8:00 PM

\$5.00 per person Entry Fee (\$10.00 per couple)

Scotch Doubles pool is a fun alternative to a regular pool tournament. The format will be 8-ball and is where 2 players (generally one man and one woman) play by alternating shots while making their group of balls..

Couples (again one girl and one guy) that come together can play together. They are referred to as a “Paired” couple. If you don’t have a partner for the night, you will still be able to play. All of the unpaired players will be put into a blind drawing and will be paired together by “luck of the draw”. This does mean that two guys or two girls could be paired together. However this is a handicapped tournament so even if two good players or two lower players are paired together, they will have to win a different amount of games, according to their skill levels. Make sure you come in and try out this interesting way to play on some of the best tables in the state.

When You NEED a break!!

Sunset Billiards – 1215 W. Crawford – Salina, Ks. 67401 – 785-826-9992
